

HARRISON HILLS HOMEOWNERS' ASSOCIATION

To Whom It May Concern:

The Board of Directors of Harrison Hills HOA wishes to express its sincere gratitude for the outstanding work that has been done in our community by Liberty Exteriors and their Project Manager, Jeff Pohl.

Jeff worked on our behalf with our insurance carrier to ensure that we received the full benefit of our insurance coverage for damage done to roofs, decks and siding and successfully managed that process for a positive outcome for our community.

It is hard to believe that all our roofs on our 19 buildings that were damaged by a hail storm were reroofed in 6 days by a team of workers who worked from early morning to dark and left the property totally cleaned up as if they were never here.

Liberty worked through the winter and resided all 19 buildings with steel siding, trim and fascia with wonderful results for our community's curb appeal and enhanced valuations.

We will be pleased to speak to anyone about the quality of Liberty's work, their willingness to go the "extra mile" to satisfy our needs and their integrity.

Thanks to the Liberty team for their great work.
